

Good afternoon SJS Community,

It was wonderful to see so many parents, friends, and alumni at our Christmas Concert today. It was an amazing performance that left us joyful and ready for the Christmas season. A huge thank you to Ms. Keough for her organization, dedication, and love – it shined through today and enriched everyone in attendance.

We would like to share our SJS Christmas Card for the year. Over the past few years, we have moved to a video montage of our students at the Christmas Shoppe. [Click here](#) for a treat – thank you to Grade 4 for the background singing.

I want to leave you today with a simple wish – have a wonderful Christmas and New Years. I hope that each of you are able to spend time with family and friends and enjoy wonderful traditions that are special to each of your families. We will see you in 2025!
