

Good morning St. John School,

More exciting news to share!

We have hired a Physical Education/Gym teacher for next year – Mr. Tom Wehr. As you may know, Mr. Wehr has two children in St. John School and has run the SJS Soccer Club for us in the past. He has a BS in Business Administration from Boston College and vast real estate experience. However, that is not really what appealed to us about him for the PE position. Mr. Wehr has a fantastic background in sports and youth coaching. He ran college track at BC and was an accomplished track, baseball, and soccer player in high school. I googled his track accomplishments a while back and they are impressive! Over the past few years, Mr. Wehr has served as a volunteer youth coach for soccer and baseball through Canton Youth Sports. His enthusiasm for children, sports, physical education, and St. John School shine through in every interaction. I was also excited to hear lots of Mr. Wehr's ideas for physical education next year. Please join me in welcoming Tom to the St. John School faculty.

Chris
