

Good morning SJS Community,

We are excited to announce an awesome opportunity to win a St. John School Nativity scene. Every grade (preschool through Grade 8) has created a Nativity in art class over the past month. We have opened a raffle for these awesome pieces. All proceeds of the raffle will go to the St. Mary's Center for Women and Children (<https://www.stmaryscenterma.org>).

Each class has a Google Sheet where you can enter your name, phone number, and email to enter the raffle. For every entry, please donate \$5 to SJS via Venmo (@SJSCanton). You can enter a grade raffle as many times as you like (\$5/entry). You can also enter as many grade raffles as you like (\$5 per entry). So, if you enter the Grade 4 raffle 5 times, please Venmo @SJSCanton \$25. And, if you enter the Grade 2 and Grade 4 raffle each once, please Venmo @SJSCanton \$10.

You can find the raffle page at <https://tinyurl.com/SJSChristmasNativityRaffle2024>. You must then choose the Grade tab you want to enter.

The raffle will end on Friday at 9:00 am and we will pull names right after and you will be notified. We would love for you to pick up the Nativity at pickup on Friday. If they are not picked, up, they will be in the Quiet Room at St. Oscar Romero parish over the weekend for pickup.

Now, check out these beautiful Nativities! *Note - Individual pictures are on Facebook.*

*Please note – Grade 8 has two Nativities (boys and girls)*

Chris
