

Good afternoon SJS Community,

We are now less than a week away from sending off our Grade 8 students. They had a great week – rocking the MAP assessment, receiving CPR training, having a final visit at Cornerstone, having a parent sponsored BBQ, participating in their retreat, signing yearbooks and visiting Six Flags. Next week they cap off the year with a visit to New York City and then Class Night on Wednesday and Graduation on Thursday. We will miss each one of these amazing students.

Tonight is Mother-Son Night at SJS. Thank you to Mercy Bishay for her organization. Have a wonderful time!

This week we started MAP testing and will finish up with makeups and retakes next week. Parents will receive their child's MAP data at the end of the school year.

Next week, all tuition accounts for the 2024-2025 school year will be finalized in FACTS. This will include financial aid and discounts. If you have any questions, please reach out to me or Anne Guerini.
