

Good afternoon SJS Middle School Parents and Students,

After an extremely successful inaugural volleyball season last year, it is time for Middle School volleyball sign-ups for 2025. A few details on the season

-Tylor Le has graciously agreed to coach the team and will be joined by Nick Gordon.

-The team will practice on Wednesdays from 6:00 – 7:30, starting next Wednesday, March 5.

-While we do not have a final game schedule, the season will be tournament based and occur on weekends in April and May. The hope is to have 4-5 tournaments around Boston, including the New Balance Center.

-Once we have sign ups, we will determine whether we will field one team or two. Most likely it will depend on availability for tournaments.

-St. John School will provide a jersey to wear during games.

-We are asking each family to pay \$100 for the season. This will cover the cost of tournaments, referees, and volleyball equipment. You will be billed through FACTS.

If your child is interested in volleyball, please return the attached forms to me by Monday.

Also, our later winter open gym for volleyball will be this Thursday at 7:45. Feel free to attend.

Dr. Flieger
